

# 0.75kW VSD Booster Pump

- Best efficiency flow range  
13 to 40lt/min
- Best efficiency pressure  
range 2 to 3.5 bar
- 1-year Quality Warranty
- NRCS approved
- Energy-efficient
- Easy to operate
- Automatic start/stop function
- Dry run protection
- Over-current protection
- Pre-wired with 3-point plug

When choosing a pump consider your setup and what the pump will be used for.

Bathroom

Misting

Pop up

Impact

Dishwasher

Washing Machine

## Class Leading Efficiency

Convert your tank supply to a pressurised solution and ensure you are never without water. This integrated variable speed drive(VSD) pump is ideal for use in your home or garden, as the speed at which the pump runs varies according to the pressure requirements, ensuring minimal energy is being used while providing you with a constant pressure supply.

### Pump specifications

- **Pump model:**  
YBP750
- **Motor power:**  
0.75kW
- **Max flow:**  
66 lt/min
- **Max pressure:**  
4.5 bar
- **Max fluid temperature:**  
80 °C
- **Max ambient temperature:**  
40 °C
- **Max suction lift:**  
7m
- **Protection:**  
IP 44

### Recommended connections

- **Suction pipe:**  
HDPE or helical coil reinforced flexible hose (minimum 1" or 25mm)
- **Discharge pipe:**  
Copper, HDPE or any SABS approved piping (3/4" or 22mm)

### Integrated functions for protection from

- Over/under voltage
- Overload
- Abnormal Pressure

### Availability

#### Stock Item:

Stock items are subject to a 7 day calendar lead time

### Packaging

#### Package dimensions in mm:

361(h) x 326(w) x 331(l)

#### Total weight:

13kg
