

Tank Mozzie Screen

- Blocks entry for mosquitoes and other insects
- Improves the quality of water stored
- Easy to fit, clean and maintain
- Promotes ventilation and circulation

Mosquito-proof your tank by fitting this accessory to your overflow or inlet.

This 40mm Tank Mozzie Screen allows water to pass through the overflow while blocking entry for mosquitoes and other insects. It can also be connected to the outside of the tank inlet (if not connected to a pipe supply), or alternatively the inside of the tank inlet.
