

Booster Pump to Tank Connector Kit

- Allows for seamless connection from pump to tank
- All accessories included
- Easy to fit
- Great quality

Suitable for use with our:
0.37, 0.55, 0.6 and 0.75kW Booster Pumps

Using our Pump to Tank Connector Kit

You'll find everything you need to connect your tank to your pump in the booster pump to tank connector kit, making it DIY-friendly and easy to use. The hose fits seamlessly onto both your water tank and the JoJo Booster Pump (not included in this kit).
