

0.37kW 3" SDM Borehole Pump Kit

- Best efficiency head range 33 to 60 m
- Best efficiency flow range 20 to 40 lt/min
- Supplied in kit-form
- Supplied pre-assembled and ready-for-installation
- Made from premium construction materials ensuring durability and reliability
- Curve Tolerance according to ISO 9906
- Water hammer control
- Waterproof cable joint

- Suited for use with boreholes, wells, tanks, rivers and dams

Class Leading Efficiency

The 0.37kW 3" SDM Borehole Pump is precision-crafted from premium construction materials, this borehole pump kit is high-wear resistant, has all the necessary built-in safety features and has been verified according to ISO 9906 to deliver the specified performance.

Pump specifications

Pump Model: PUMPKITBH0.37

Motor Power: 0.37kW

Best efficiency head range: 33 to 60 m

Best efficiency flow range: 20 to 40 lt/min

Max Fluid Temperature: 35 °C

Max Ambient Temperature: 35 °C

Package dimensions in mm:

(h) x (w) x (l)

Package weight: 8.5kg

Integrated functions for protection from:

- Motor upthrust protection
- Overload protection

Included in this Kit:

- Pump and motor
- Control box with built-in capacitor and pre-wired with a 3-point plug
- 60m of cable joined to the motor
- 60m of ski-rope
- Borehole baseplate
