

0.37kW Booster Pump

- Best efficiency flow range 10 to 20lt/min
- Best efficiency pressure range 1 to 2.4 bar
- 1-year Quality Warranty
- NRCS approved
- Energy-efficient
- Easy to operate
- Automatic start/stop function
- Dry run protection
- Over-current protection
- Pre-wired with 3-point plug
- Brass impeller
- Stainless shaft

When choosing a pump consider your setup and what the pump will be used for.

Bathroom

Misting

Impact

Dishwasher

Washing Machine

Class Leading Performance & Design

Convert your tank supply to a pressurised solution and ensure you are never without water. This peripheral vane pump is designed for boosting clean household water, and provides reliable water pressure while using minimal energy.

Pump specifications

- **Pump model:** QB60
- **Motor power:** 0.37kW
- **Max flow:** 34 lt/min
- **Max pressure:** 3.8 bar
- **Max fluid temperature:** 40 °C
- **Max ambient temperature:** 40 °C
- **Max suction lift:** 8m
- **Protection:** IP 65
- **Input voltage:** 220 V
- **Frequency:** 50 Hz

Recommended connections

- **Suction pipe:** HDPE or helical coil reinforced flexible hose (minimum 1" or 25mm)
- **Discharge pipe:** Copper, HDPE or any SABS approved piping (1" or 25mm)

Integrated functions for protection from

- Dry run
- Over-current
